

Living, Loving & Serving Like Jesus
Scripture Journal

This year everyone in our whole church is reading, thinking about, learning about and talking about the same verses from the Bible each week. So what you study in Children's Church is the same as what adults will be learning in Big Church.

Did you know that God wants to teach you through his Bible? The best way to learn how much Jesus loves you - and how he wants you to live - is to spend time reading his Word. These are some questions on these two pages that you can use each week to help you think about the verses. You might want to write out your answers, or draw pictures, or ask someone to help you write.

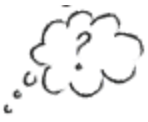

Want to know what verses we're reading each week? You can download a list that will tell you every single verse until the end of 2021! Just click [here!](#)

Grab a journal or notebook, some crayons or pencils, and let's get started!

"Thinking" space

- My thoughts, questions and feelings about what the Bible is saying to me today.

"Sharing" space

Living

- What do these Bible verses say about how I should live for God?
What will I do to live in that way?

Loving

- What do these Bible verses say about how I should love like God?
What will I do to love in that way?

Serving

- What do these Bible verses say about how I should serve others like God? What will I do to serve that way?

"Just Me and God" space

- Things I'm praying to God and things He's saying to me.

"WOW" space

- An amazing thought about God, an answer to my prayers, or a way I'm becoming more like Jesus.
